Teacher Comments

"The material gathered from this course impacted my life from the 1st day of the class, giving me a greater awareness and appreciation for rocks, minerals, and their uses!"

"The slogan, 'IF YOU CAN'T GROW IT, YOU HAVE TO MINE IT', really hit home!"

"Dave & Doug were professional, enthusiastic, and informative!"

"This is a great class for those of us who are not familiar with the mining industry. You kept the sessions interesting and grade appropriate, which is difficult to do!"

"Actually going into the mine was very helpful in understanding the operation!"
